

March, 2022

Prof. Jacob Hart

CURRICULUM VITAE

Date and place of birth: 1944, Israel
Place of work: Netanya Ac.College
Marital status: Married with three children
Military service: 1961, 1969-1972

EDUCATION

1961 – 1967 Medicine, Hebrew University Medical School, Jerusalem
1967 – 1968 Internship, Sheba Medical Center, Tel Hashomer
1969 M.D. Thesis, Supervisor: Prof. B. Modan
Title: Epidemiological aspects of gallbladder and biliary tract neoplasms.
1978 – 1980 D.C.M. in Community Medicine, Tel Aviv University
1979 – June, July University of Leeds, U.K. and W.H.O. Health Services in the United Kingdom
1987 Medical Management specialization.
2007 January Design, Conduct & Management of Clinical Trials
Practical GCP Compliance

ACADEMIC EXPERIENCE

1973 – 1974 Coordinator of course: Team Work in Family Medicine. Coordinator of reacclimation course in General Medicine. Tel Aviv University Medical School.
1973 to 2011 Coordinator of course on General Medicine Post Graduate Medical School, Tel Aviv University Medical School.
1979 – 1986 Lecturer, Preventive and Social Medicine, Tel Aviv University Medical School.
1979 to 2016 Coordinator of the clerkship in Epidemiology and Public Health.

1982 to 1992	Coordinator of the course on Public Health, Dentistry School, Tel Aviv Medical School.
1986 to 1991	Senior Lecturer, Preventive and Social Medicine, Tel Aviv University Medical School
1986 to 2013	Head of Section, Post Graduate Medical School, General Medicine, Netanya Academic College
1991 to 2013	Clinical Associate Professor of Preventive Medicine, Tel Aviv University Medical School
1991 – 1995	Head of Department of Epidemiology and Preventive Medicine, Tel Aviv University Medical School
2013 -2020	Clinical Associate Professor of Preventive Medicine, Netanya Academic College
2015 to 2017	Dean school of Health Care Systems Management at Netanya Academic College
2017 to date	Presidant of Netanya Academic College
2020	Full Professor – Specialist For Health Care Systems Management

CLINICAL AND MANAGERIAL EXPERIENCE

1972 – 1973	Assistant Medical Regional Director (Negev District).
1974 – 1976	General Practioner and Family Physician (Einat).
1977 - 2017	General Practioner and Family Physician (Magshimim)
1973 – 1975	Deputy Medical Director, Hasharon Hospital
1973 – 1993	Regional Medical Director, Kupat Holim for the Petah Tikva District
1984 – 1993	Medical Director, Golda Meir Medical Center, Petah Tikva. (Hasharon Hospital and Community Health Clinics in the Petah Tikva District)
1993 – 1994	Medical Director of Beilinson-Hasharon Medical Center, Petah Tikva
1975 – 1996	Medical Director, Hasharon Hospital, Petah Tikva
1996 – 1998	Director,Health Technology Division (Kupat Holim Klalit)

1998 - 2011 Director, CEO of Loewenstein Hospital Rehabilitation Center

2012 to date Head of I.R.B. Clalit Health Services

ACADEMIC AND PROFESSIONAL AWARDS:

1982 Ben Gurion Research Grant.
General Federation of Labor, Israel

ACTIVE PARTICIPATION IN SCIENTIFIC MEETINGS

1970, October 98th Annual Meeting of the Epidemiology Section
of the American Public Health Association (Houston,
Texas, USA)

1976, October 42nd meeting of the Association of the Hospital
Directors in Israel

1981, May 33rd Annual Congress of the International Academy
of Proctology. (Budapest, Hungary and Vienna, Austria)

1981, June 5th World Congress on Sexology
(Jerusalem, Israel)

1982, March 34th Annual Congress of the International Academy
of Proctology. (Jerusalem and Tel Aviv, Israel)

1982, July 2nd International Conference on
Immunopharmacology (Washington, USA)

1983, September 31st International Congress on General Practice of the S.I.M.G
(Klagenful, Austria)

1983, November Third International Seminar on the Treatment of
Rheumatic Diseases. (Tel Aviv and Jerusalem, Israel)
Member of the Organizing Committee

1984, February Fourth International Congress of the World Federation of Public
Health Association (Tel Aviv, Israel)

1985, May Fourth Israel Medical Week, Meeting of the Israel Society of
Hematology and Blood Transfusion

1986, June Annual Scientific Meeting of the Israel Public Health Association
(Kfar Saba, Israel)

1986, November Fourth International Seminar on the Treatment of Rheumatic
Diseases. (Jerusalem, Israel) Member of the Organizing
Committee

1989, April	International Meeting on Pregnancy Loss (Tel Aviv, Israel)
1989, May- June	Twelfth WONCA World Conference of Family Medicine (Jerusalem, Israel)
1989, Nov.-Dec.	Fifth International Seminar on the Treatment of Rheumatic Diseases. (Tel Aviv, Israel), Member of the Organizing Committee
1989, November	Seventh Medical Week in Israel, MEDAX President of the Israel Public Health Association Congress on Patients' Rights (Jerusalem, Israel)
1991, November	Quality Assurance and Public Health: Current Trends and Future Developments. Chairperson of the Israel Public Health Association Medax. (Jerusalem, Israel)
1997, February	Public Health Congress (Calcutta, India)
1997, July	Community Pediatrician Congress
1997, December	Public Health Association Congress under the framework of MEDAX
1997, November	I.H.F. Congress (Melbourne, Australia)
2001, April	I.H.F. Congress (Hong Kong)
2007, November	Rehabilitation, 2007 Basic Science and Clinical Applications. (Tel Aviv, Israel)

POSITIONS HELD and MEMBERSHIP IN PROFESSIONAL SOCIETIES

1975 – 1976	Educational Committee of the Postgraduate Medical School of the Kupat Holim and of the Hebrew University of Jerusalem
1976	Committee of the Association of Hospital Directors for the Investigation of the Status of the Emergency Rooms in the General Hospitals in Israel
1978 to 2011	Member of the International Hospital Federation
1981	Committee for Medical Care programming of the Ministry of Health
1989 to 2010	Chairman of the Israel Public Health Association
1991 to 2011	Chairman of the Israel Union of Hospital Directors

1991 to 2017	Chairman of the Trustees Board Netanya Academic College
1995	Chairman of the Israeli Committee for the Improvement Health Care Quality
1995 to 2007	Member of the National Health Council of the Ministry of Health
1995	Representative of the World Federation of Public Health Association at the 45 th session of WHO Regional Committee for Europe
1996 - 2002	Representative of Clalit Health Services to the National Council for Diagnostic Imaging
2001	Chairman of Committee for Specialization in Public Health, Health Management, Occupational Health, Scientific Council of Israel Medical Association.
2009	Elected President of the Israel Public Health Association
2010, December	Elected President of the Israel Union of Hospital Directors

PAPERS PRESENTED AT SCIENTIFIC MEETINGS AND ABSTRACTS

1. M. Levi, J. Hart, A. Harel, M. Rawid
Role of the emergency room and the policy of patients' admission in: Status of the Emergency Rooms in the General Hospitals in Israel.
Association of Hospital Directors, Tel-Aviv, 1976.
2. A. Weizman, R. Weizman, J. Hart, H. Wijssenbeek
Sexual behaviour in healthy married elderly males,
The 5th World Congress on Sexology, Jerusalem, 21-26 of June, 1981.
3. L. Komlos, S. Ben-Efraim, N.J. Lewis, J. Hart, I. Halbrecht.
Effect of N-acetyl-D-glucosamine on antigenic stimulation of normal human lymphocytes.

- Second International Conference on Immunopharmacology, Washington, 1982.
4. J. Hart, U. Spirman, I. Shattach
An epidemic amebic infection in a kibbutz population.
31st International Congress on General Practice of the S.I.M.G Klagenful, Austria.
19-24 September, 1983.
 5. L. Komlos, H. Levinsky, D. Allalouf, J. Hart, I. Halbrecht, N. Lewis, S. Ben Efraim.
Relation between synergistic effect of N-acetyl-D-glucosamine
on PHA stimulation and sialic acid content of human lymphocytes.
9th international Congress of Lymphology, Israel, October 2-7, 1983.
 6. C. Einav, J. Hart
The effect of knowledge on attitude of the climacteria woman, Fourth International
Congress of the World Federation of Public Health Association, Tel-Aviv,
February 19-24, 1984.
 7. P. Fishman, B. Sredni, J. Hart, M. Dhaldetti.
Growth of human basophil lines derived from chronic myelocytic leukemia cells in
vitro: ultrastructure and Xray microanalysis studies.
4th Israel Medical Week, Meeting of the Israel Society of Hematology and Blood
 8. L. Komlos, S. Ben-Efraim, J. Notmann, J. Hart, I. Halbrecht
Selective effect of melphalan in vitro on phenotypically different human T-cell
populations.
7th European Immunology Meeting, Jerusalem, September 8-13, 1985.
 9. M.A. Weingarten, A. Ziderman, H. Enav, S. Ahiron, B. Politi, J. Hart.
Reducing the use of analgesis in general practice.
12th World Conference on Health Education, Dublin, September 1985.
 10. S.R. Carel, E.Kahan, J. Hart
Routine tests before hospitalization - increased efficiency of the process.
The Annual Scientific Meeting of the Israel Public Health Association,
Kfar Saba, June 1986.
 11. F. Shabtai, J. Hart, D. Klar, I. halbrecht
Fragile X mental retardation syndrome: an unconventional approach.
7th International Congress of Human Genetics, Berlin, September 22-26, 1986.
 12. J. Goldman, D. Feldberg, J. Ashkenazi, M. Shelef, D. Dicker, J. Hart.
Multiple pregnancy after in vitro fertilization including a quadruple pregnancy
and delivery.
5th World Congress: In vitro fertilization and embryo transfer, Alabama, USA,
April 1987.
 13. J. Hart, E. Cohen, A. Gingold, R. Homburg

- Sexual behavior in pregnancy.
8th World Congress for Sexology, Heidelberg, Germany, June 14-20, 1987.
14. J. Goldman, D. Feldberg, Y. Ashkenazi, D. Dicker, M. Shelef, J. Hart.
A dynamic protocol for embryo transfer timing based on embryonic cleavage stage in an IVF programme.
Third Meeting of the European Society of Human Reproduction and Embryology, Cambridge, UK, June 28-July 1, 1987.
 15. F. Shabtai, D. Klar, J. Hart, I. Halbrecht
Pericentric inversion 2. Differences in incidence and significance in different populations: A new aspect.
European Society of Human Genetics, Symposium on genetics of Diabetes Mellitus, Stockholm, Sweden, May 28-31, 1987.
Clinical Genetics 33:469, 1988.
 16. N. Lehrner, G. Arieli, J. Hart, A. Kimchi
Antifungal activity of polygonum aviculare
Revista Iberica de Micologia, 5:83, 1988 (Abstracts of the X Congress of the International Society for Human and Animal Mycology.
Barcelona, 27.6-1.7 1988.
 17. D. Feldberg, J. Ashkenazi, M. Shelef, J. Hart, I. Voliovitch, A. Yeshaya, J. Goldman.
IVF/ET in the elderly woman.
Annual Meeting of the Israel Endocrine Society, Tel-Aviv, January 17, 18, 1988.
 18. L. Komlos, J. Landman, J. Notmann, F. Dulitzky, J. Hart, J. Goldman, I. Halbrecht.
In vitro changes in maternal and newborn lymphocyte reactivity during the postpartum period.
International Meeting on Pregnancy Loss, Tel Aviv, April 9-12, 1989.
 19. L. Komlos, L. Sirota, J. Notmann, F. Dulitzky, J. Hart, J. Goldman, I. Halbrecht.
Role of the newborn sex in mixed maternal newborn lymphocyte culture reactivity.
7th International Congress of Immunology, Berlin, July 30-August 5, 1989.
 20. F. Shabtai, J. Hart, S. Bichacho, D. Klar, I. Halbrecht
A contribution to the genetics of dislexia
The Italian-Israel Symposium on Novel approaches for early fetal diagnosis.
Herzeliya, December 4-6, 1989.
 21. J. Hart, N. Keriati, I. Machtey
The rheumatic patient in the family and society. A preliminary report.
The 5th international Seminar on the treatment of Rheumatic Diseases.
Tel-Aviv, November-December, 1989.
 22. F. Shabtai, J. Hart, D. Klar, R. Einav, I. Halbrecht
High incidence of pericentric inversion of chromosome 2 in North African Jews.
R.M. Goodman International Conference. New perspectives in genetic markers and

- diseases among the Jewish people.
Neve-Ilan, June 10-14, 1990.
23. F. Shabtai, J. Hart, I. Halbrecht
Hb Hasharon: an East European "Jewish" mutation.
R.M. Goodman International Conference. New perspectives on genetic markers and diseases among the Jewish people.
Neve-Ilan , June 10-14, 1990.
 24. F. Shabtai, J. Hart, I. Halbrecht
The incidence of Hb bart's (alpha thalssemia) in different enthic groups in Israel:
A. study of 6000 newborns.
R.M. Goodman International Conference. New pepectives on genetic markers and diseases among the Jewish people.
Neve-Ilan, June 10-14, 1990.
 25. L. Komlos, E. Livni, T. Klein, I. Halbrecht, J. Hart, R. Zaizov.
Mode of inheritance of parental HLA haplotypes locus A,B, in siblings of different sexes.
24th Annual Meeting of the Israel Immunological Society,
The Hebrew University - Hadassah Medical Schoool, Jerusalem, May 3,4 1994
 26. L. Komlos, J. Hart, T. Korostishevsky, T. Klein, I. Halbrecht
Difference in the transmission of parental class I HLA Haplotypes to children of both sexes.
25th Annual Meeting of the Israel Immunological Society,
The Weizman Institute ofScience, Rehovot, June 12-13, 1995.
 27. J. Hart
Modern management of hospitals.
First Indian Public Health Congress, Calcutta, India, Feb. 1997.
 28. J. Hart
Medical Technologies in Kupat Holim.
Congress of Community Pediatricians, July 1997.
 29. J. Hart
Advantages and disadvantages of the national health insurance law in Israel.
I.H.F (International Hospital Federation) Congress,
Melbourne, Australia, November 1997.
 30. J. Hart
Medical Technologies in Israel.
Public Health Congress at the MEDAX, December 1997.
 31. J. Hart
Reform of the Health Care Service in Israel 1995 – 2000
Health Care in the New Century : Rebirth of Hospitals,
Hong Kong 15 – 18 May 2001

32. J. Hart, R. Eldar
Health Insurance in Transition.
Zagreb, Croatia 25 – 28 September 2002
33. J. Hart, T. Rosenblum, A. Shilansky, R. Weitz, A. Dynia, R. Keiser
Facing the community: the influence of Loewenstein Hospital's car
accident prevention program on teenagers.
Rehabilitation 2007, Basic Science and Clinical Applications
Tel Aviv, 28-29 November 2007
